**WELLBORN**  
CABINET, INC.®

We make kitchens beautiful on the inside, as well as the outside. Our cabinetry features a full 3/4" all veneer core plywood cabinet construction with a natural finish interior. Cabinet end panels are flushed design for quality custom cabinetry.

## *Inset*

*Estate Inset offers two ways to set a cabinet door inside its frame. A plain, non-beaded inset reflects authentic Shaker styling. A beaded inset frame defines detail to its truest. The bead surrounds the door enhancing its style.*

## *Overlay*

*The Estate Custom Collection offers two overlay doors, full overlay and traditional overlay, where the door overlays on the front of the frame. Full overlay doors span over the face frame and have a concealed hinge for a clean look. Traditional overlay doors reveal some of the frame for a very classic design.*

## *Drawer*

*The cabinet drawer features 3/4" solid hardwood with quality dovetail joints for durability and strength. The soft close drawer slide with Blumotion presents a full extension feature that also closes tight to the face frame.*

With the Estate Custom Collection, inset door styling represents quality craftsmanship. A plain, non-beaded inset reflects authentic Arts & Crafts and Shaker styling. A beaded inset frame defines detail to its truest in beautiful cherry and maple. The inset door offers two styles of door hinging. A concealed hinge is hidden behind the door for a more simple design. A reflection of old world craftsmanship is displayed with a barrel hinge in a choice of three finishes: oil rubbed bronze, burnished brass and satin nickel.
